

LESS IS MORE ANY TIME OF THE YEAR

Using less water means more water in Lake Mendocino, Lake Sonoma and the Russian River. We rely on these sources for drinking water, wildlife habitat and recreational activities.

Use less water today by following these tips:

- Irrigate between midnight and 6:00 a.m. to reduce water loss from evaporation and wind.
- Use a broom, not a hose, to clean your driveway, deck or patio.
- Inspect and tune-up your irrigation system monthly.
